## DID SOMEONE SAY HORSES **ALL DAY EVERY DAY?**

Every school holiday period the team at Yarrabin run our famous 5-day kids riding camps. We cater for all riding abilities for children aged 10-17yrs. The week allows for a great learning experience as well as gaining life long memories and skills, they will also learn and improve on self-confidence, independence and positive thinking. We incorporate trail riding, group lessons, basic horsemanship and horse care, bareback riding, swimming horses in the dam (weather permitting) a gymkhana and night activities throughout the week.

For the 4 nights of camp your children will be roomed with similar aged kids of the same gender. It is an all-inclusive tariff with all riding, instruction, accommodation, meals and fully supervised with one adult per five children. We are located just outside of Bathurst in the Central West. A short half hour from Bathurst CBD or an easy 2-hour drive from Penrith. Most kids travel up and back from Sydney with one of our staff on the train with our mini bus link to and from the station (train and transport are an additional cost).
